The Literacy Council of South Temiskaming exists to provide Literacy and Basic Skills programs and training to area residents. This service is free, confidential and centered on the individual's needs. Learners receive one-on-one coaching from staff, instructors and/or volunteers from the community.

If you want to learn, or know someone that wants to learn, please contact our office at (705) 672-4232.

"Perhaps the most valuable result of all education is the ability to make yourself do the thing you have to do, when it ought to be done, whether you like it or not; it is the first lesson that ought to be learned; and however early a man's training begins, it is probably the last lesson that he learns thoroughly." Thomas H. Huxley

We would like to thank The Ontario Trillium Foundation for their generous grant. This grant will enable us to purchase a much needed photocopier that will allow us to better serve our adult learners, therefore the community. We will be hosting this recognition event October 15, 2010 at 1:00 P.M. at our office in Haileybury at 95 Meridian Avenue.

The Ontario Trillium Foundation is an agency of the Government of Ontario.
