SOMEONE MIGHT NEED SKILLS UPGRADING HELP IF SHE OR HE:

- is reluctant to read or write
- wants to upgrade spelling, grammar, math and/or basic science skills;
- has difficulty in filling out forms accurately or following written instructions;
- has problems with math operations;
- puts printed material away without looking at it or leaves it behind;
- has a basic level of education and wants to get a high school diploma or prepare for further education or skills training.

*If you answered yes to any of the above,
your client/employee may benefit from skills upgrading*

HOW DO I DETERMINE WHAT PROGRAM SOMEONE SHOULD ATTEND?

Programs working together to help students achieve their goals.

They have not completed grade 12 and want to get their high school diploma, or prepare for Apprenticeship, skills training or employment.
